Single Stream Recycling

To prepare your recycling for pick up:

1. Put all your recyclables together in your recycle bin.
2. Cover any paper with other recyclables so it doesn't blow away!(We cannot be responsible for recyclables that have blown out of the container)
3. Bundle any large loose pieces of cardboard that will not fit into your container. (No larger than 2'X2' please!)
4. Place your recycling out for pickup away from your trash.

It's that easy! See more guidelines below.

RECYCLABLE ITEMS

Plastics:

#1- #7 containers & bottles with necks smaller than their bases, food & beverage containers
